

STUDIO CAP/POCKET COMBO

Designed for the application of transfers to all types of headwear and small garments, the Studio Cap/Pocket Combo Press features a Digital Controller for the accurate pre-selection of both time and temperature.

The position of the base platens are adjustable, to suit different styles of cap and garment.

The Studio Cap/Pocket Combo Press combines a separate cap and pocket head (with optional smaller pocket pad available) that can each be interchanged in a matter of seconds, via two thumb screws, with electrical connections on a plug-in lead. This design innovation offers great versatility.

The work area of the Studio Cap/Pocket Combo Press is:

Cap pad..... 15 x 8 cms (6 x 3.14 ins)

Pocket pad..... 15 x 9 cms (6 x 3.6 ins)

Optional smaller pocket press pad dimensions

..... 8 x 6.5 cms (3.14 x 2.55 ins)

Specifications European Machine

Power Consumption	400 Watts
Power Supply	230-240 Volts AC
Maximum Working temperature	260°C
Display Timer Range	0 - 9.59 mins
Machine height open	63 cms
Machine height closed	43.5 cms
Machine width	30 cms
Machine depth open	45 cms
Machine depth closed	56 cms
Weight export packed	15.9 kg
Size export packed	62.5(L) x 37.5(W) x 13.5 cms(H)
Net weight	13.62 kg
Cap press pad dimensions	15 x 8 cms
Pocket press pad dimensions	15 x 9 cms
Optional smaller pocket press pad dimensions	8 x 6.5 cms
Fuses	3 A
A-weighted noise level	<70 dB(A)

DIGITAL CONTROLS

Digital Controls

Our specially designed microprocessor controllers give accuracy for time and temperature settings, vital with today's heat transfers.

HEAT PLATES SILICONE PADS

Heat Plates - Silicone Pads

All heat plates are covered with a protective TEFLON® coating and many are made of cast aluminium (cast aluminium heat plates carry a life-time warranty). Quality silicone rubber base pads are used to provide excellent transfer results every time.

APPEARANCE

Appearance

To maintain the good appearance of the press all cast frames are powder coated. This proven baking system will protect the machine from discolouration and minor knocks and scratches.
